Mark Keppel High School — a theme with infinite variations — not mere buildings — people — students and teachers — and each face — part of the school.

We are part of Keppel, Keppel is a part of us. The experiences we have here — the friends we make, the activities we join, the knowledge we gain and the opinions formed — will influence our lives. The school is not the thing, it is a thousand things, students — in the classrooms on the fields, in the gym — wide-eyed freshmen on the first day of school — seniors on graduation day. It is clubs working at their various projects; the football team making a touchdown; the teachers, a constant factor, passing their knowledge on to us, year after year; the typewriters clicking in the administration wing; the janitors sweeping the silent halls in the late, dull afternoon.

These sequences of impressions form a different pattern in each of our minds.

Our various memories of Keppel — a million variations on a theme.

Shadows and age reveal a lasting structure.

DEDICATION

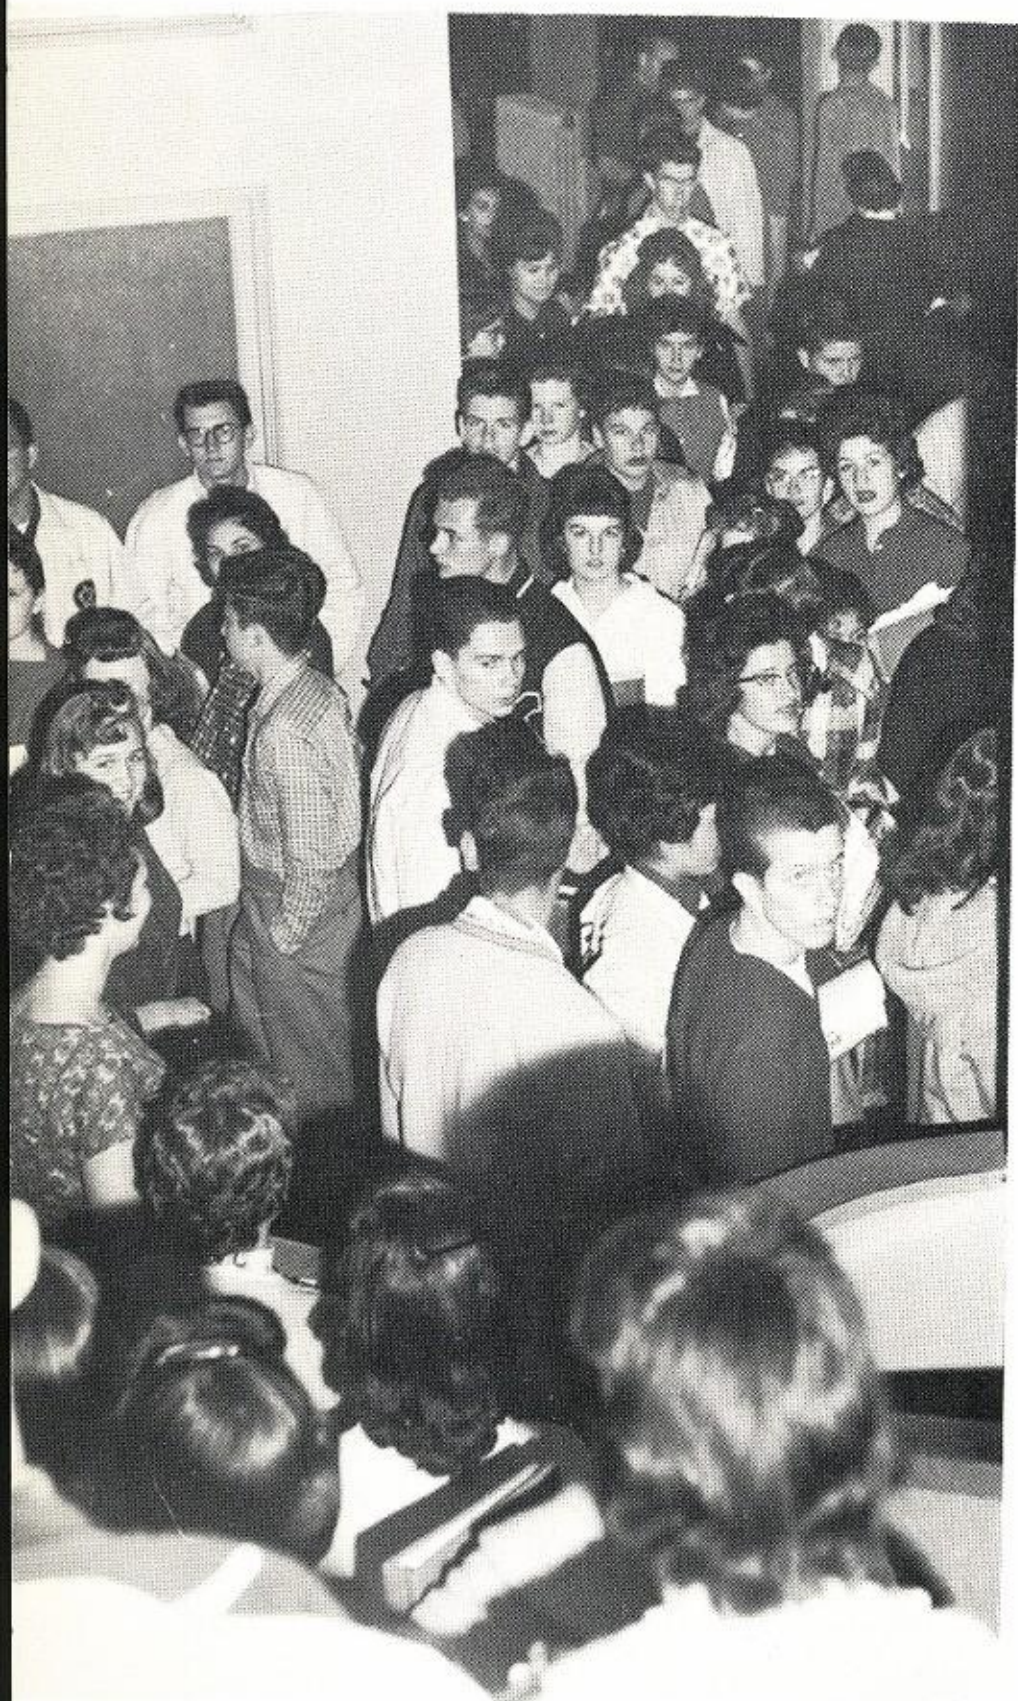

In focusing the bright light of interest across the members of the Mark Keppel Faculty, we have often observed individual teachers who are acutely aware of the manifold channels through which the educator may guide his students. We have come to respect the wisdom of these teachers, and acknowledge their patient concern with lasting gratitude. There are countless occasions upon which each student is in need of an answer to a problem or question; but there are few times when he expresses his appreciation for the help received adequately. Thus we of the Teocalli Staff are particularly proud of possessing the privilege of honoring Miss Marion Arzt, by dedicating to her the 1960 edition.

SENIOR

HON

JOE ULLOA

NANCY HUMBLE

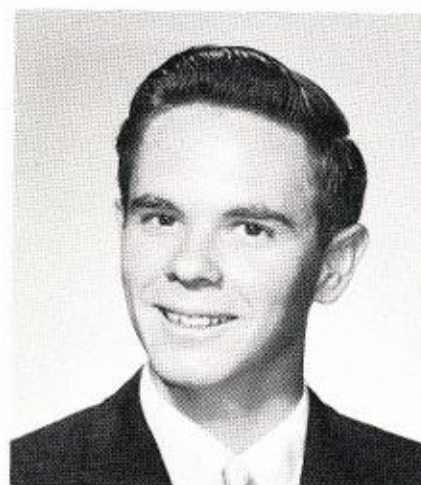

Every spring sixteen outstanding members of the junior class receive one of the highest honors attainable at Mark Keppel High School — membership in the Senior Honor Society. The senior-to-be is presented to the student body by the graduating members of the Society at a special assembly. The 16 chosen, 8 boys and 8 girls, wear proudly the gold symbol of their new group throughout the next year. The handsome Crown and Sceptre represents scholarly achievement, service, leadership, and the finest citizenship to be found among our students. Thus, the name Crown and Sceptre is used synonymously with Senior Honor Society.

An active and triumphant year has climaxed for these worthy wearers of the Crown and Sceptre. Among their diverse projects were the card sections at football games and hosting new students at the freshman assembly. In its five years of existence, the Senior Honor Society has proved deserving of our respect and admirable recognition. Laurels to them, and special congratulations to Joe Ulloa, President; Nancy Humble, Vice-President; Sue Puglisi, Secretary; and Joan Newquist, Treasurer.

IN RECOGNITION

SALLY CLUTTON-BROCK

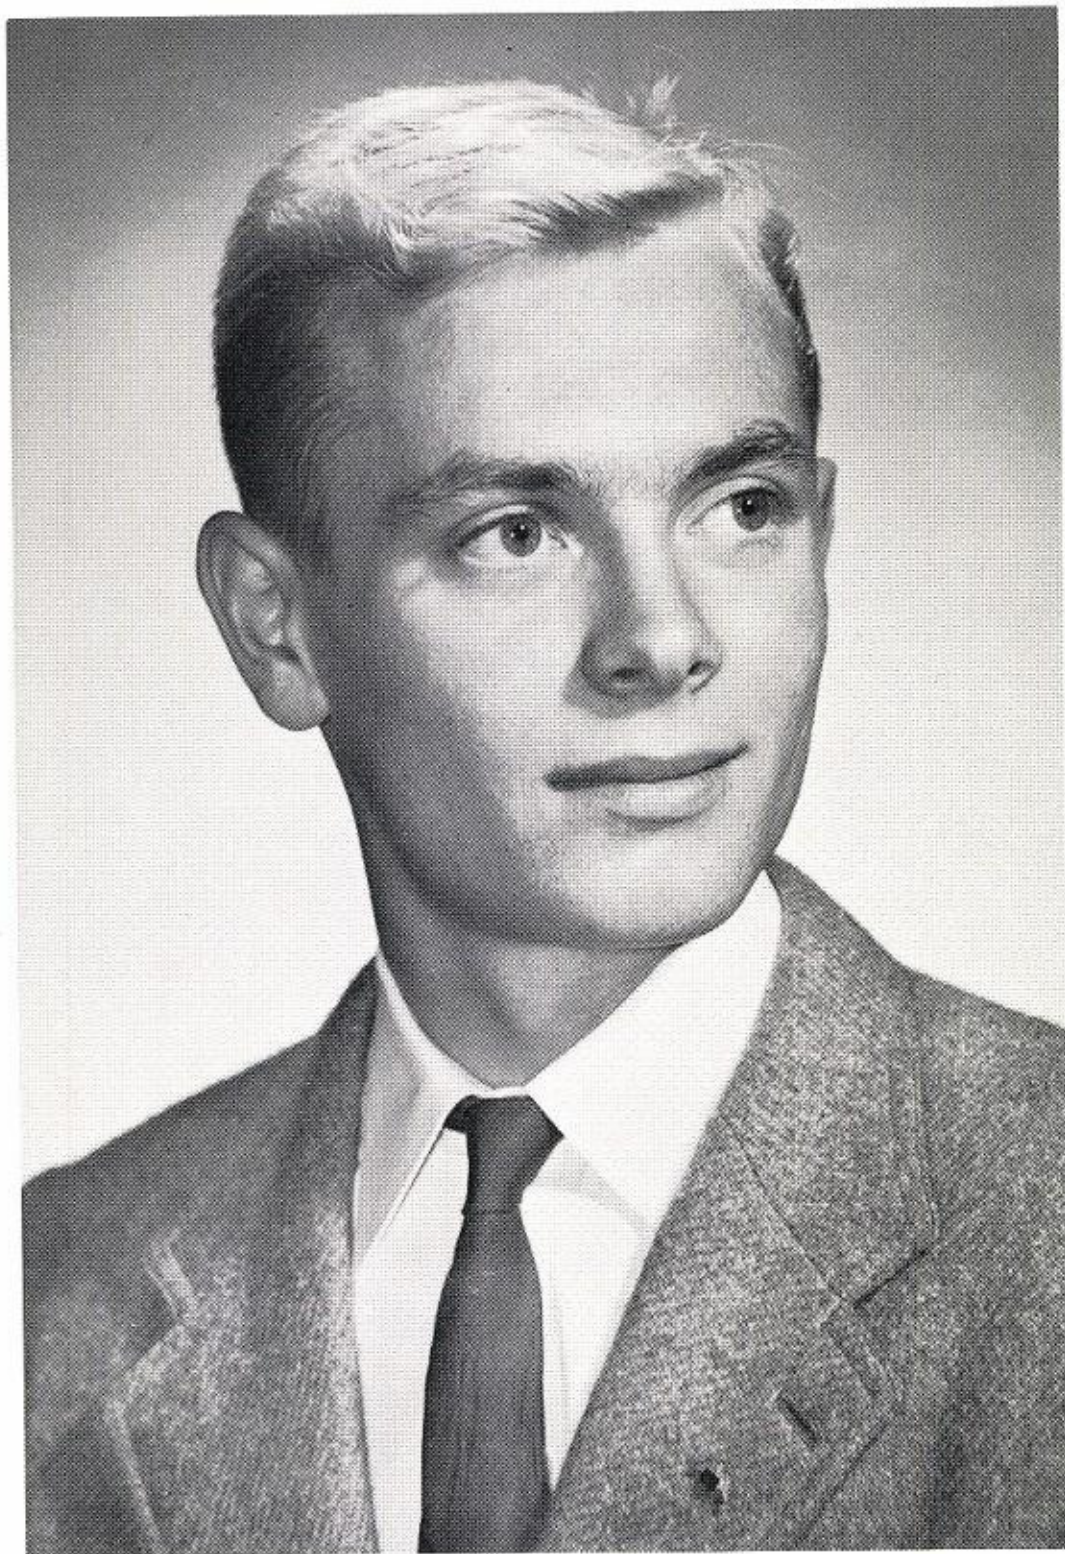

Sarah Clutton-Brock is Keppel's first Southern Rhodesian exchange student. Sally was born in England and moved to Southern Rhodesia at an early age. Sally attended Queen Elizabeth School for girls and seemed a bit stunned by the number of boys at Keppel.

Sally was the first girl to attend Keppel on the exchange student plan. Her pleasing smile and pleasing personality immediately reached the hearts of her classmates.

Participating in club activities and school functions, Sally proved to be an integral part of the student body program.

Although of English parentage, Sally considers herself Southern Rhodesian. However, we hope that here at Keppel she will take away with her the understanding and friendliness that is an essential part of Aztec life.

IN RECOGNITION

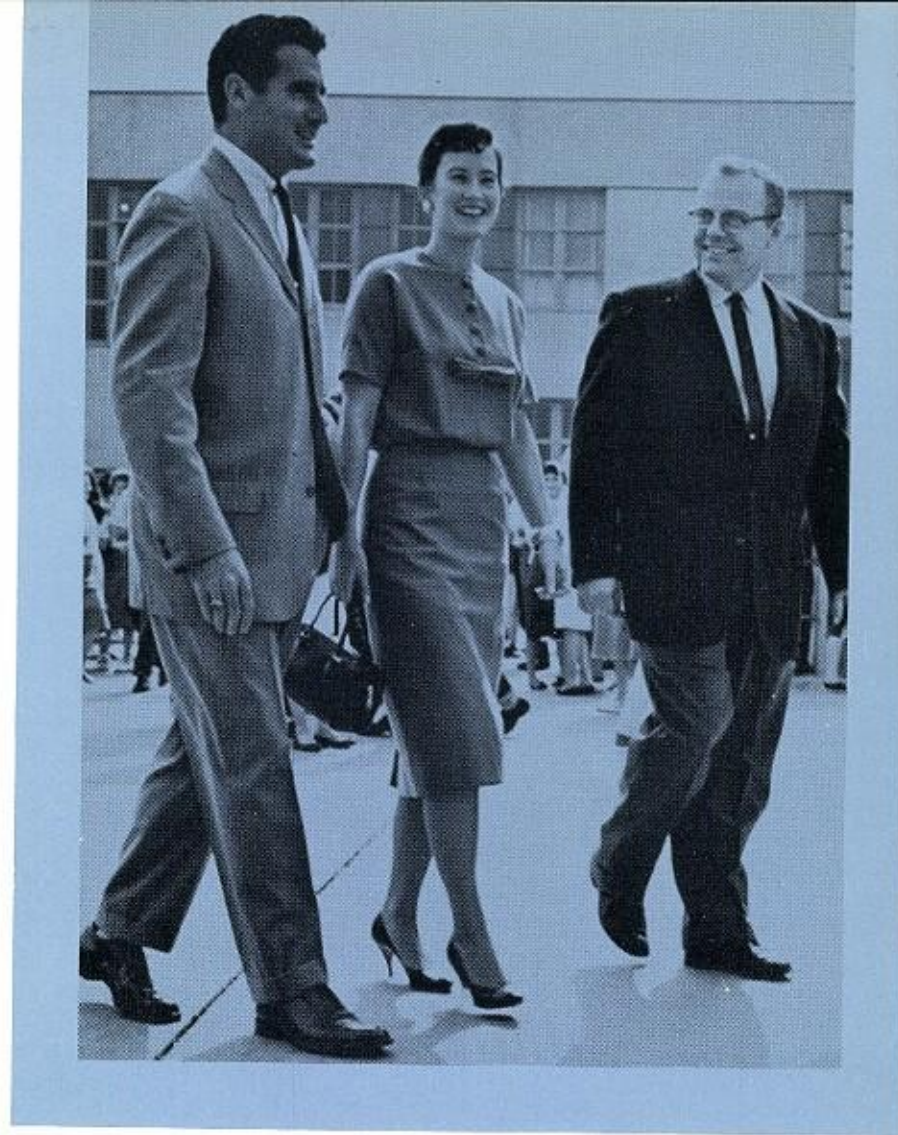

PER DUELAND

Per Dueland, Mark Keppel's first foreign exchange student from Denmark, was greeted by the Aztecs with warmth and genuine friendship.

Pat, as the students renamed him, appeared in the school play, "Night of January 16th" and engaged in many other activities such as giving Danish lessons before school each day.

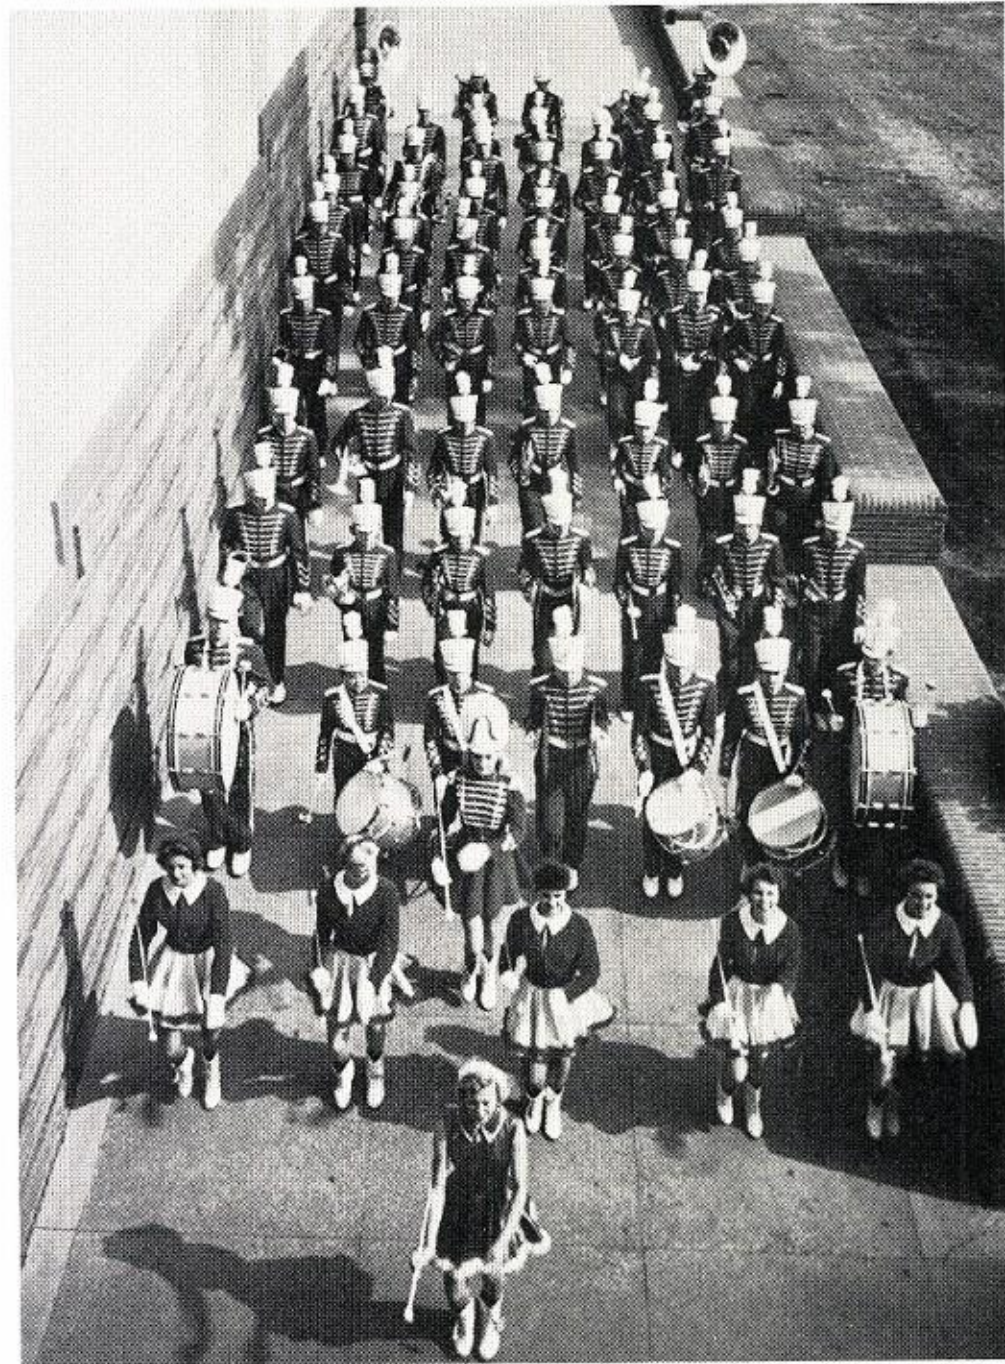

Pat speaks English fluently, having studied it for six years, and is also proficient in German, Latin and French. The Joselyn family originally housed Pat. In the later months of the year he lived with another family, the Johnsons.

Pat's first comments were, "Keppel seems immense." We hope that when Pat returns to Copenhagen, he will take with him the good wishes of his fellow classmates.

BOARD OF EDUCATION

The members of the Alhambra City Board of Education, give their time and attention unselfishly and unceasingly to the school's needs. Much time is spent by these five people to broaden the academic opportunities of each school individually. These representatives of the school district population work as a team in the best interest of everybody concerned.

They have a great responsibility managing the Alhambra School System and working constantly for the welfare of each school. It is a difficult job providing the community with well organized and efficiently equipped schools. Their ability to determine educational policies and carry them out is greatly admired by the entire faculty and student body.

BOARD OF SUPERINTENDENTS

The school district superintendents; four men who supervise and govern the entire Alhambra school system. With Mr. Stokesbury as superintendent, this small group carries out its duties with utmost efficiency. They work quickly to fulfill their duties, some of which are choosing the method of teaching and the subjects to be taught, handling school funds throughout the year, employing the many workers who are paid by the district, and making decisions which effect the student's welfare.

Miss Margaret Bishop, Secretary of Superintendent; Maurice Stokesbury, Superintendent of Schools; Dr. Elmer Ensz, Assistant Superintendent in Charge of Instruction; C. C. Scanlon, Assistant Superintendent in Charge of Business and Assistant Secretary; Robert F. Gray, Assistant Superintendent in Charge of Special Services.

BRUCE M. LAWSON—Principal

MR. LAWSON

Mr. Lawson has been at Keppel since 1941. He acted as Boys' Vice-Principal for several years before he succeeded Mr. White. As Principal, Mr. Lawson has directed the complex organization of our school for 16 years.

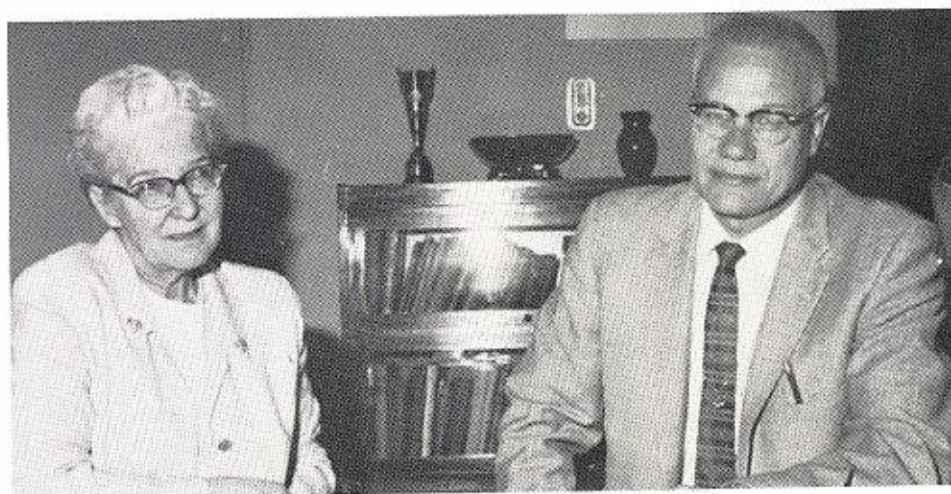

His position enables him to understand better than anyone the intricate pattern of Keppel, and keeps him busy with the many duties of administration.

With his advice and encouragement he has guided the student body and the student government, and won the respect of every Keppel graduate.

Eminent in the Educational circles of California and Chairman of the High School Division of the California Association of Secondary School Administrators, he was formerly a member of the Board of Trustees of Occidental College.

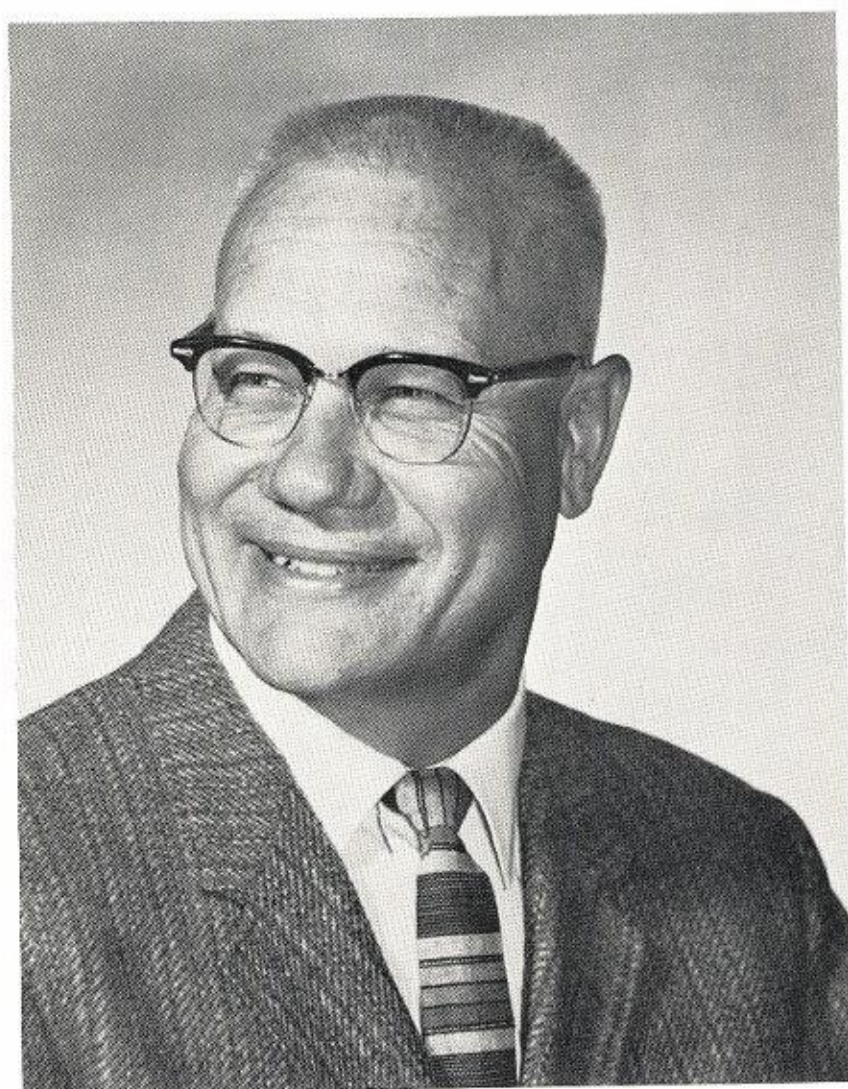

Taking time off from a busy schedule, Mr. Lawson pauses for a brief discussion with Shirley Holden, Tom Hammond and Carolyn Vietti.

Miss Arzt and Mr. Kemp fuse student activities and problems into a practical pattern.

The Girls' Vice Principal, Miss Marion Arzt, has been working with Mark Keppel students since the school was opened in 1940. Miss Arzt was a teacher in the Science-Math Department until 1949, when she was appointed to her present position. The Girls' Vice Principal executes a tremendous agenda of responsibilities and activities, all of which are essential to the successful fulfillment of her job. As sponsor of the Girls' League, coordinator of campus organizations, supervisor of student standards, and personal advisor to all girl students, Miss Arzt has become a respected and trusted administrative leader. She is an outstanding asset to her post and to the school.

Mr. Kemp is a popular and important personality among both students and faculty members. He has served as Boys' Vice Principal since 1955, and has shouldered the accompanying responsibilities with the immense vitality which is unique to his character. Mr. Kemp is a church and community leader as well as the advisor to the Student Body cabinet, Boys' Federation sponsor, and director of citizenship problems. In addition, he triggers and renews the "fire" and spirit needed for valuable extra-curricular activities.

COUNSELORS

Miss Busher, 10th grade, Mr. Anderson, 12th grade.

Mr. Freeman, 11th grade.

Mr. Sewell, Mr. Freeman, Miss Busher, Mr. Anderson, Mrs. Connolly.

Mrs. Bennett, head counselor

Helping students plan their courses of study in high school is just one of the tasks performed by our qualified counselors. Selecting the most important subjects for each member of a class requires careful study and planning; in addition, the counselors must handle hundreds of program changes and transfers each year. The programs of almost 2400 students go through this office to be approved or changed in structure. Much time and attention is spent by the counselors on these and various other related jobs pertaining to a student's program. Their jobs never cease from the time young people enter as Freshmen to when they receive their diplomas. They watch the class grow and mature through four of the most important years of their life; their high school years.

SHANGHA

The autumn backwards dance adopted an oriental theme, personified in the Far East costume of many who attended. Students wore a colorful variety of masquerades, ranging from the glittering garb of lords and Geisha girls to the simple kimonos of coolies and rickshaw boys. A capacity crowd danced to the smooth music of the "Blue Notes," while numerous couples mingled in easy conversation along the border of the dance floor.

Couples enjoyed dancing from eight to midnight.

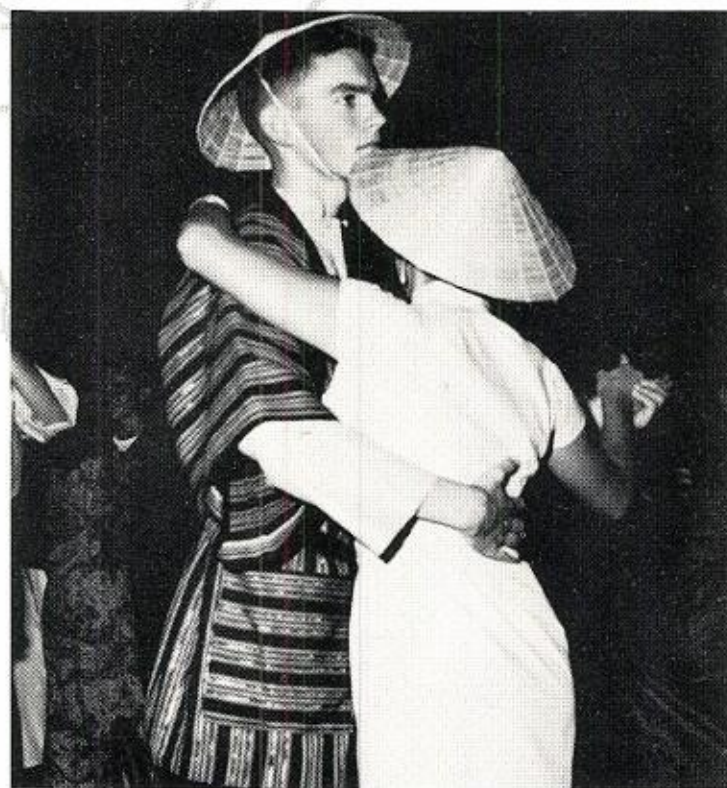

The design and preparation of the Chinese murals was deftly performed by artist Art Becerra.

SHUFFLE

Exotic decorations displaying streamers and clusters of lanterns intensified the mood of the Shanghai Shuffle. A delicately beautiful group of murals created by Art Becerra were the outstanding feature of the nebulous setting. In perspective, the evening was one of picturesque gaiety, remembered permanently with photographs in natural color.

Coolie hats seemed to be the most popular form of headdress.

Costume prize-winners presented an authentic illustration of the theme.

Accused murderess Charlene Barsony, Karen Andre, attempts to hide her face from the camera as she is being escorted from the courtroom by Bjorn Jorntseen, Per Dueland, and Defense Attorney Stevens, Tom Curry.

"THE NIGHT OF JANUARY 16TH

The Trial of Karen Andre, **The Night of January 16th**, went into the Mark Keppel Courts on Thursday afternoon the 19th of November. A capacity crowd enjoyed all performances and thrilled to the innovations in dramatic crafts.

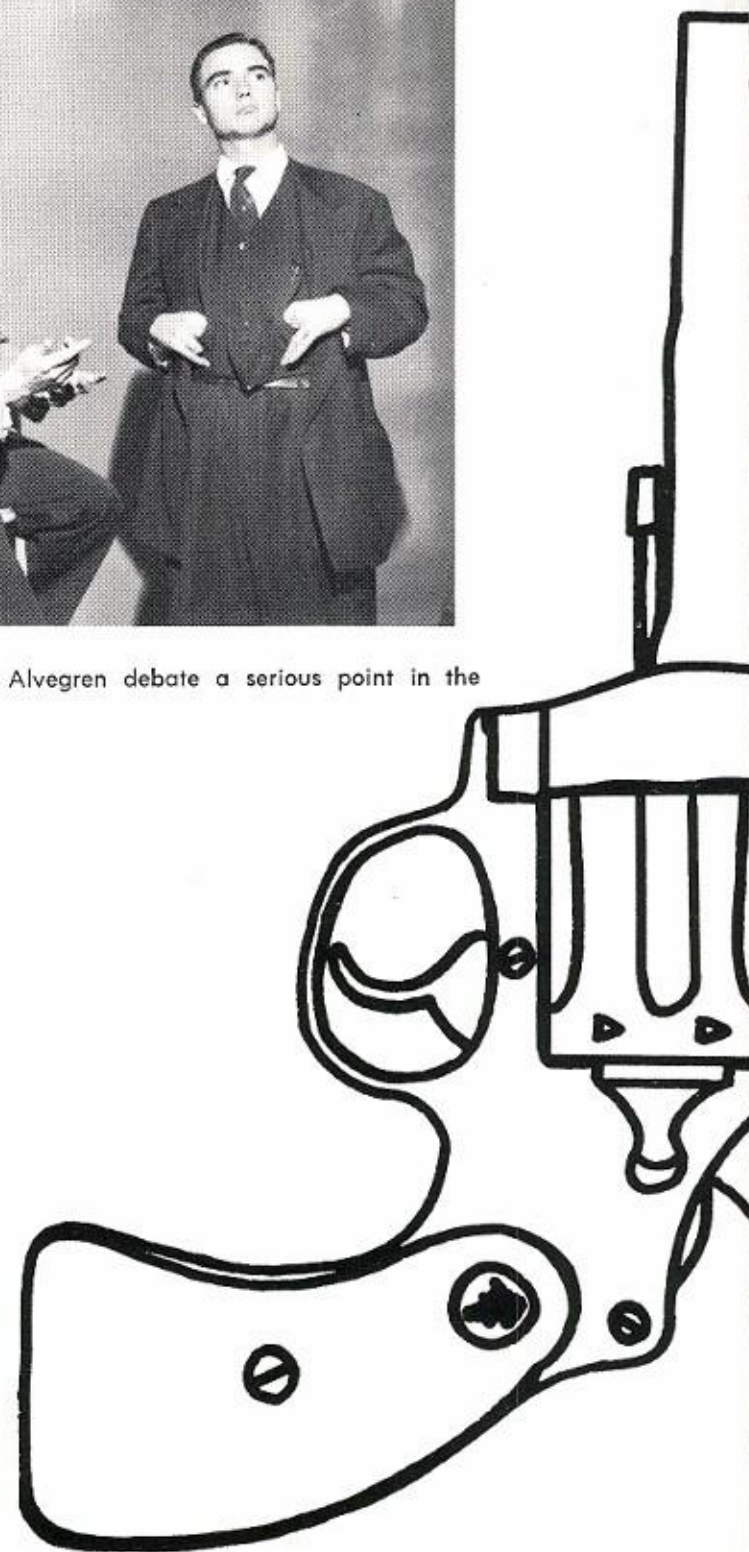

The jury was selected from the audience and subpoenaed by an official officer of the court. Through the brilliant defense speeches of her lawyer, Miss Andre was vindicated of her crime. A special edition of the **AZTEC-Herald** preceded the dramatic presentation.

Per Dueland and Gregg Alvegren debate a serious point in the court proceedings.

Gregg Alvegren points with pride at Steve Hamilton for being caught flat-footed on his job.

Alvegren and Curry debate a judicial point with Earl Sickler, Judge.

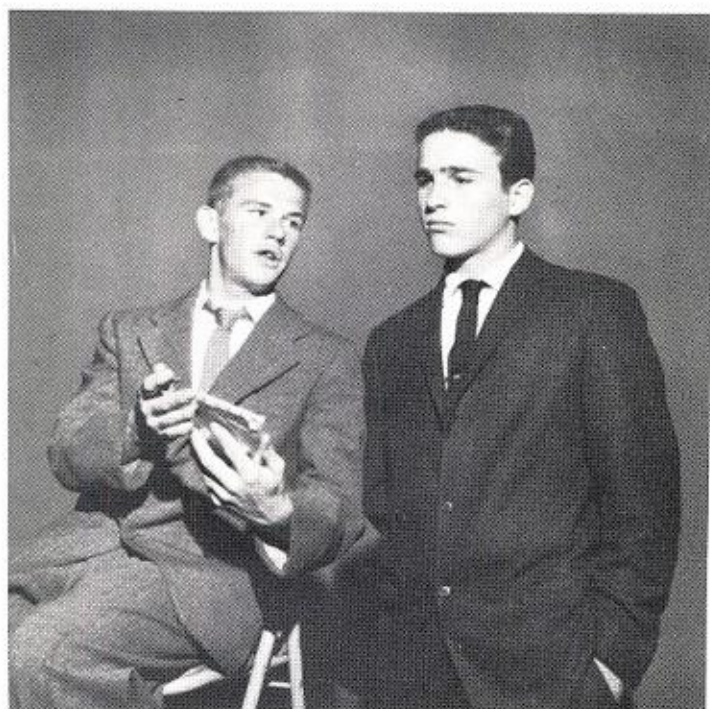

Sharon Allen ignores the insinuations of Curry.

Barbara Anderson and Tom Curry listen as Per Dueland explains how it is done in Denmark.

Marilyn Scott cowers from the searching question of Alvegren.

Dick Webster compares notes with Tom Curry just before the trial.

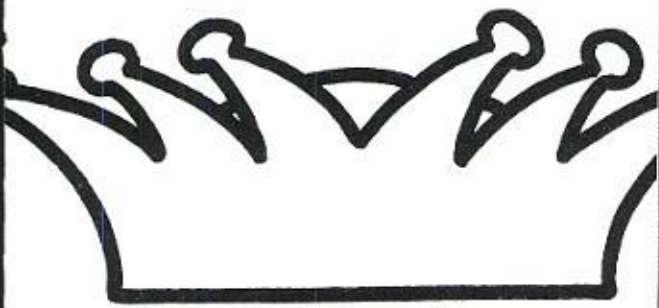

HOMECOMING

Friday the thirteenth became the luckiest day of the year for Mark Keppel's student body. On that day in November the Aztecs celebrated Homecoming, 1959, and the highlight of the football season, the historic gridiron rivalry between Mark Keppel and Alhambra High School football teams at Moor Field.

The regal court began a memorable reign at six-thirty as they led the car caravan to the game. Amid cheers and applause the five girls, elected by the student body, passed before the crowd of students, parents, and old grads. The band played "Pomp and Circumstance" while princesses Carol Humble, Linda Munda, Bonnie Fallas,

and Joan Tinkham were escorted to the throne by Seniors E. E. Sickler, Paul Cipriano, Denny Cabe and Lance Baker. Queen Rosalie Miranda, escorted by Paul Duran, was crowned by Mr. Lawson. A musical tribute to radiant Rosalie and her lovely court was played by the band, the traditional "Sweetheart of Sigma Chi."

A colorful half-time show, card section, and spotlight on the parents of the players added to the excitement of the festivities. Old pep squad members returned to stir up spirit, not that it needed agitating. The varsity squad obviously felt the Homecoming fever, defeating their cross-town rivals, 6-0. A perfect evening was concluded by a victory dance featuring La Vern Willison's band.

SWEETHEART BALL

The winter tri-school dance was entitled "Sweetheart Ball," honoring Valentine's Day.

The Queen of Hearts and her court represented the three city high schools.

Couples in semi-formal attire filled the red and white ballroom of the Y.M.C.A. and danced to contemporary melodies.

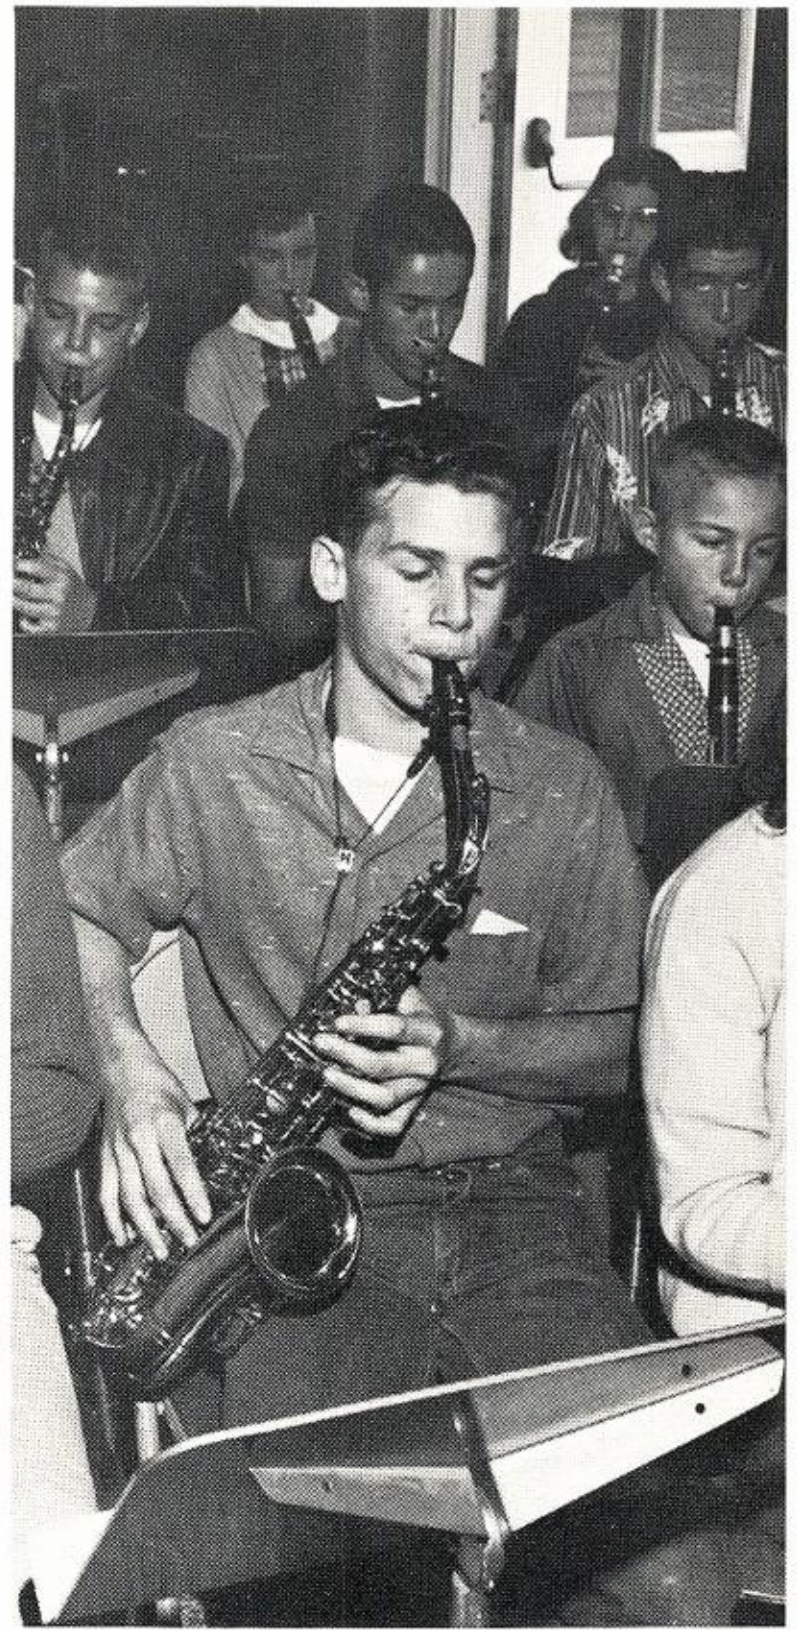

"MIDWINTER

A Christmas dance, "Midwinter Magic," was planned for Keppel students by the Senior class officers.

GIFT GIVING

Monique Dybnis and Chris Wiederanders reflect the seasonal spirit of gift-giving.

The Woodwind Choir added traditional Carols to the ceremony.

MAGIC"

The music of "The Tempos" harmonized effectively with the soft, spectral atmosphere of "Midwinter Magic."

Queen Carolyn shys away from the camera for her coronation by the Student Body President, Joe Ulloa.

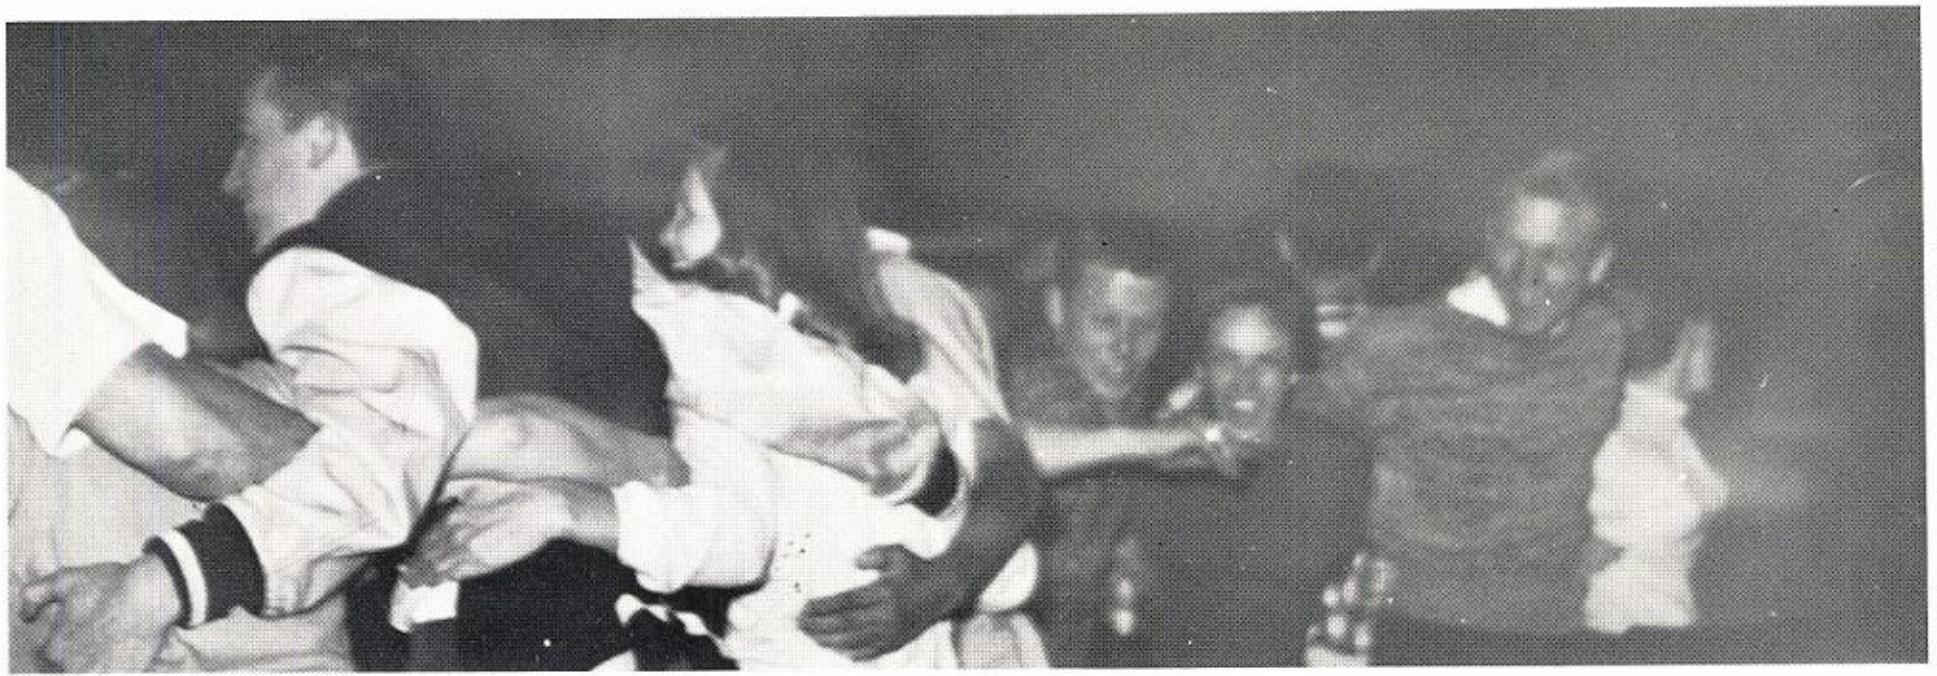

HARDWOOD

Queen Carolyn Vietti was crowned at the Annual Hardwood Hop, February 19, in the boys' gym. Her glamorous court consisted of Linda Clark, Judy Davis, Charlene Froehle, Joanna DeYoung.

Amid Valentine hearts and candy apples the couples danced to the rhythmic strains of LaVerne Willison and his band. Joe Ulloa, student body president, placed the glittering crown on the trembling monarch.

The queen and her princesses glitter bright smiles as they are presented to the student body.

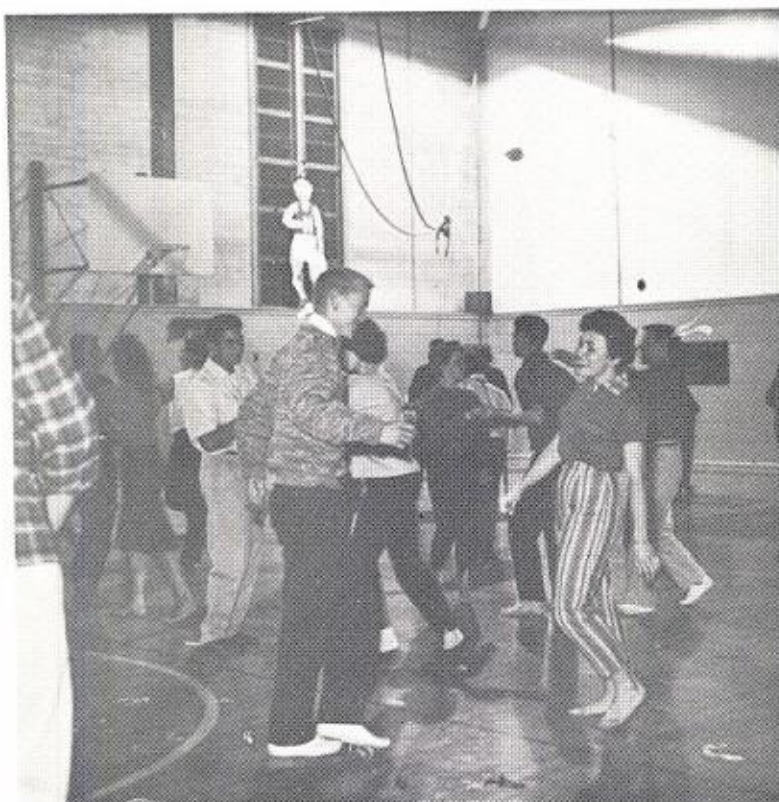

The camera catches the whirling and running of the familiar "Carrita Rock."

HOP

Throughout the basketball season, special dances were held to create school spirit and to provide the students of Mark Keppel with another social event. The Hardwood hop was a fitting climax to these wonderful events. Linked arm in arm the students filled the large gym with laughter and gaiety as they rocked to the rhythm of a popular song. Informality reigns in a sock hop.

More of the "Rock" as this quintet emerges from the labyrinth of dancers.

A light moment during the Hop as students enjoy a fast dance.

And still more of the jostling and confusion as dancers join arms and swing across the floor.

Sherron Allen as Margot Bonvalet.

DESERT SONG

A Cappella Choir's spring musical "The Desert Song" was proclaimed a smash hit by several full house audiences. The Sigmund Romberg show, set in French Morocco, was produced through the coordinated efforts of the groups composing the company — singers, actors, dancers, instrumentalists, and technicians. Mr. Ed Barnes was the Coordinator for the entire event. Mr. Fred Campbell headed up the Stage Crew and the construction of the set. Gregg Alvegren was the Student director of the event. One of the more delightful "variations on a theme" — "Desert Song."

Marie Tremble, Carolyn Lewis, Jill Boylin, and Rosalie Miranda provide the musical interlude in the performance.

Linda Winkler

Linda Winkler, seated, and Joyce Hanna, standing, Dorothy Parks, Sandy Giffis, Joan Lortie display the oriental sets used in the performance.

Robin Paul and Sherron Allen. The Red Shadow and Margot, provide the love interest.

RALLIES & ASSEMBLIES

The yell is the thing to capture the spirit of the crowd.

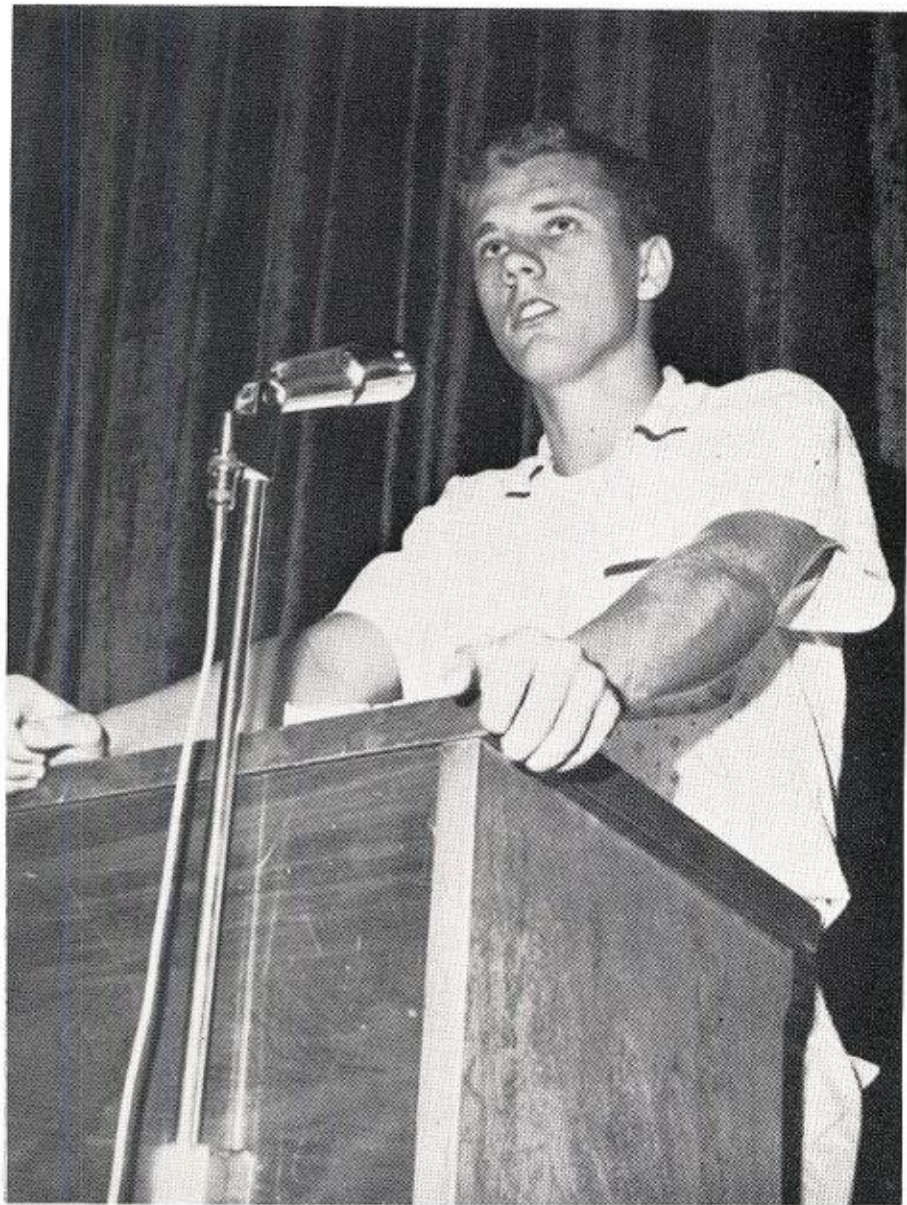

—In the first place—Mr. Kemp.

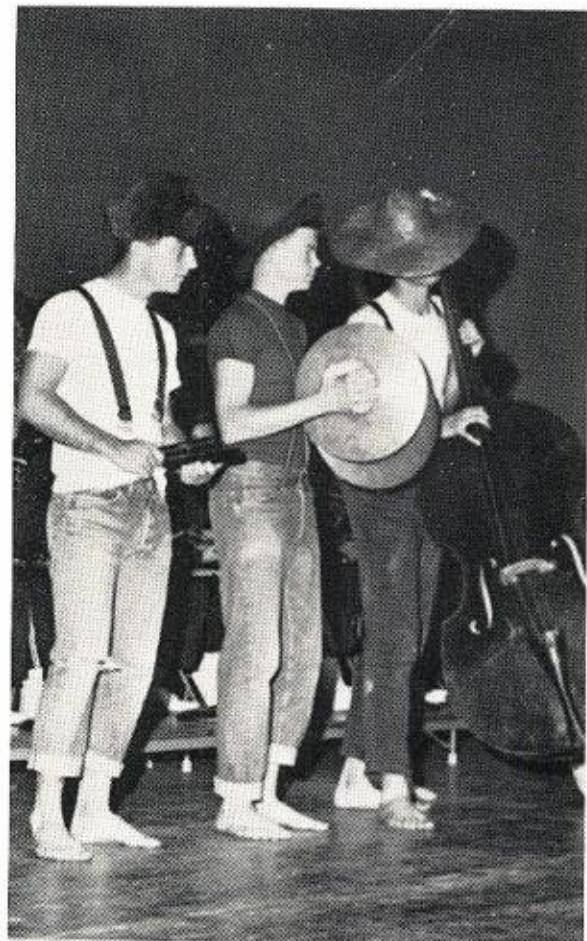

It could be you!

The Thompson brothers display the art of the guitar.

—And on these rights, we stand—Stan Nasitka

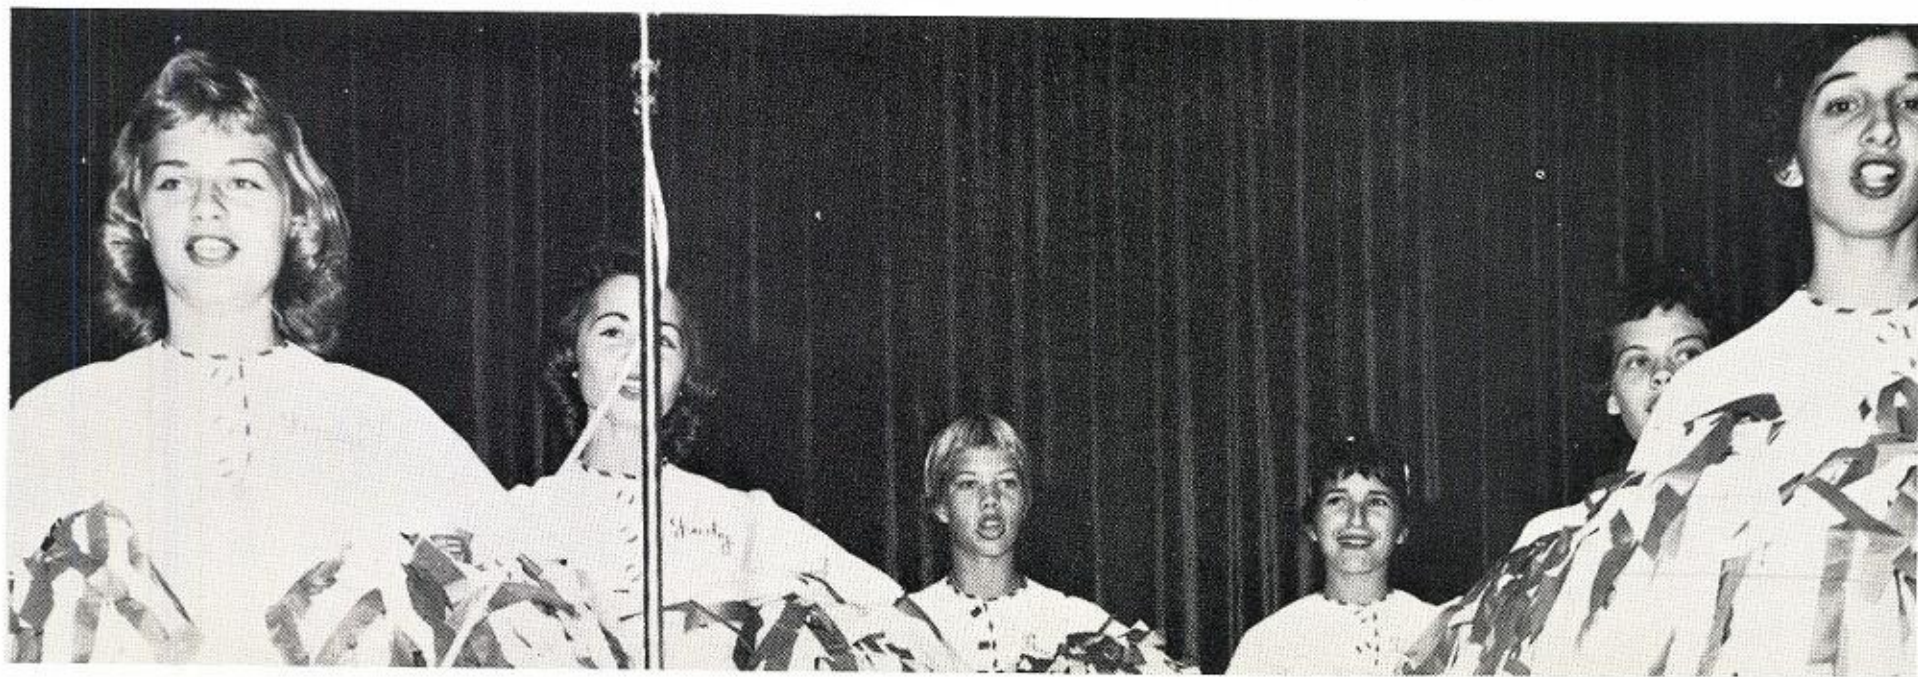

"Please repeat the Bach cantata"—

Football rallies were highlighted by the singing of traditional fight songs led by the songleaders.

Mitchell's maniacs perform.

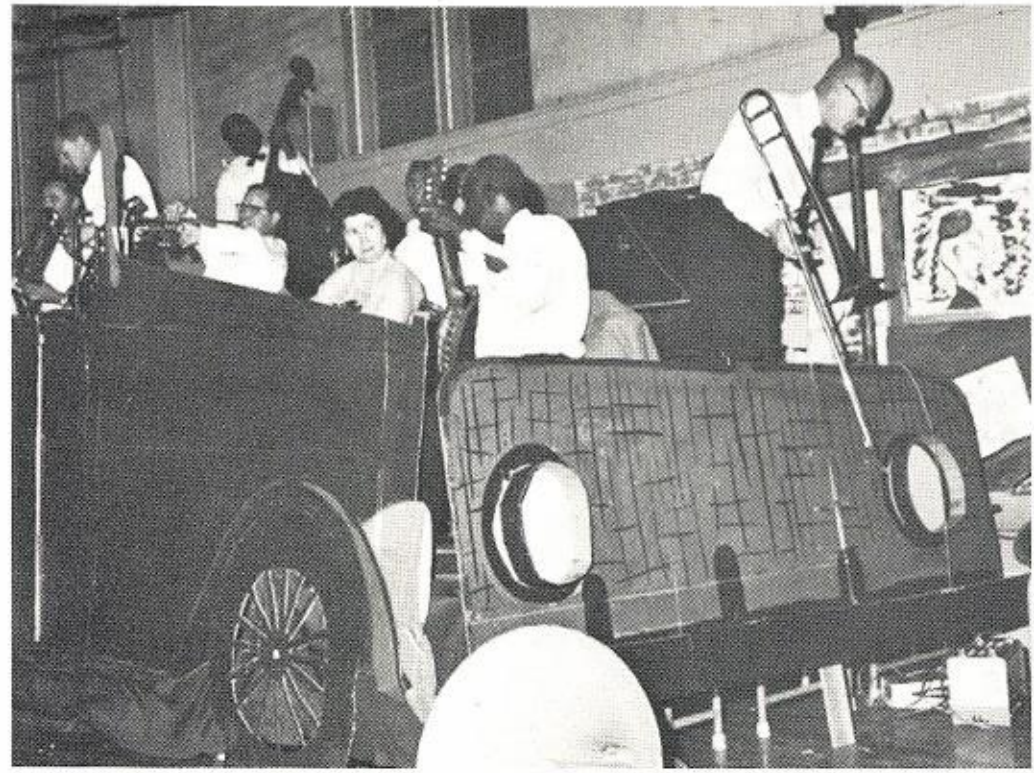

The "NAUGHTY TWENTIES" returned to Keppel on March 19. The spring backward dance will be remembered for the rhythmic tunes of Gordon Mitchell's jazz band. Riotous colors of the roaring years bedecked the boys' gym for the occasion.

"Big Al" Kahn and his moll trip the light fantastic.

"HARVEY"

"Okay, lady, okay. Give me the money for the cab or you can both walk home."

Barbara Anderson, as Nurse Kelly, sends Elwood P. Dowd (Warren Franks) up to the clouds.

Dr. Chumley consoles the excitable Veta in a moment of madness over Harvey's antics.

Dowd keeps the doctor calm in an attempt to restore sanity to the physician's puzzled mind.

Wherever a young man and a pretty girl meet the audience can expect reaction—and "Harvey" provided a pleasant one.

"Harvey has been such a terrible strain on all of the family, Miss Kelly."

"Harvey," the pooka made his debut on the Mark Keppel stage March 30, in the All School Play. The play was unique as it consisted of a small cast. Two sets had been used in the play. This is the first time in four years a multi set play has been presented.

Five efficient co-ed journalists composed the Aztec Editorial Staff for semester 1.

Hi, that's all I can think
 of to say. Hi & Bye. Bye especially
 since we won't be back. But then
 I'll see you this summer probably.

The pictorial portion of next edition is being arranged by the reporters.

Key editors confer with the chief to gather new ideas for a special edition.

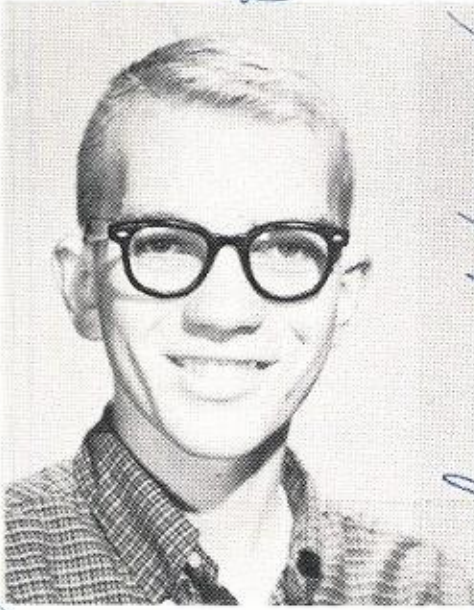

The Bestest

AZTEC STAFF

The Aztec is written by the advanced journalism class of Mark Keppel. The class gains practical experience in journalism while producing a weekly paper full of fascinating news items and brilliant features. Many ideas for a vastly improved paper have been put into operation this year.

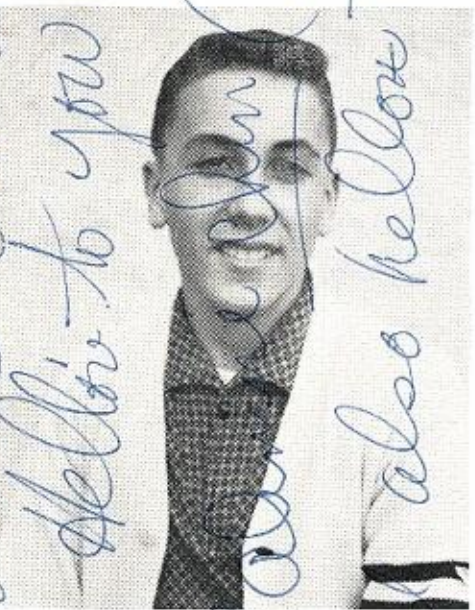

The primary aim of the Aztec is to inform the students. It also tries to entertain them, and even the missprints are now introduced purposely with the idea of giving bored students something to look for in their fifth period class.

Every girl in the student body belongs to the Girls' League. The organization is directed by the Girls' League Board, composed of the five officers and the four representatives from each class. Under the supervision of the Girls' Vice-Principal, the League sponsors important services and student activities. The traditional freshman hostesses are active members of Girls' League. The annual tea for new girls is also given by the group. In addition, the projects of the Girls' League supply the funds needed to send a representative from Keppel to Girls' State. The Girls' League promotes school spirit and provides opportunities for students to add fun and variety to campus life.

Lower Class—Melinda Scott, Joan Watson, JoAnn Riley, Judy Lambert, Donna Beck.

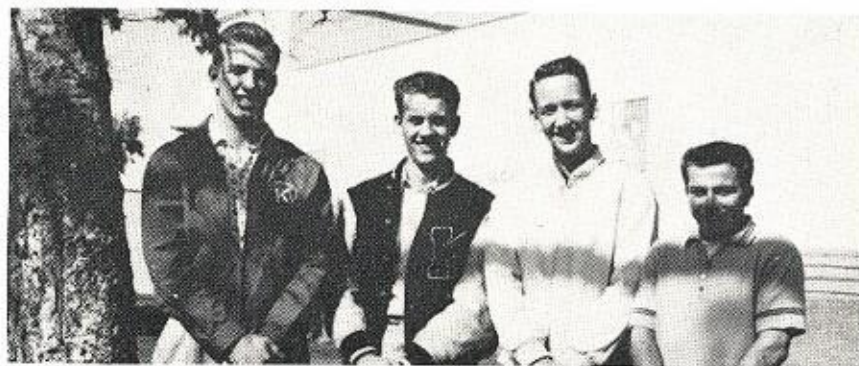

Upper Class—Louise Rizzi, Darlene Lawrence, Jill Boylin, Jessica Kwapisz, Linda Stuart, Cathy McMackin, Linda Munda.

BOYS' FEDERATION

The Mark Keppel Boys' Federation is the companion organization to the Girls' League, and functions on a similar basis. The Secretary of Boys presides at meetings of the Board, which includes the four officers and several class representatives.

The high-spirited Bermuda-Bike Day was just one of numerous events originating with the Federation. During the year several assemblies, featuring such topics as safety and water skiing, were presented for the male members of the student body. Government is one of the chief interests of the group, and California Boys' State is annually attended by one Federation spokesman.

STAGE CREW

Most students do not realize that the programs and assemblies presented in the Mark Keppel High School auditorium would not be possible without the help of the Stage Crew. The crew is in charge of setting up all of the props and scenery on the stage and controlling the curtain and lighting. The exacting job of working as a team is effectively achieved under the supervision of Mr. Campbell.

Those who work in the store learn the art of selling and accounting for money. Despite the crowds, especially during lunch time, the students deeply appreciate the fact that they can purchase such items so conveniently.

N. F. L. - DEBATE

High school speakers who demonstrate skill and success in the various categories of forensic activity are potential candidates for membership in the National Forensic League. The League is composed of Mark Keppel students maintaining a recommended grade average and a constant interest in speech event participation. Each member has earned at least 25 points of forensic credit by attending tournaments in the area. As the speakers increase their point totals they are honored with higher degrees for their achievements, and the standing of the chapter is simultaneously raised. Through service speaking, debate, discussion, and individual events the N.F.L. has attained a notable standing in the district.

Forensic League officers, semesters I and II.

The debate team is an independent group of students who meet after school to rehearse for speech competitions. The members of the squad work individually and in teams to perfect the many qualities which characterize effective speaking: voice, diction, gestures, logical organization, and valid speech content. During the past year the Aztec debaters attended all of the major open and novice tournaments in the vicinity, and were able to enlarge the membership and the activities of the team. The students on the squad who are also bearers of the N.F.L. pin participated in additional events, including the Student Congress and the District Tournaments.

ORCHESTRA

The members of the orchestra meet every day during second period for rehearsal, under the baton of Mr. Kenneth Smith. A small group, the orchestra is remarkably versatile, and can interpret a broad, contrasting program of musical moods. The informal nature of organization permits greater development of individual skills, as well as allowing for increased attention to soloists and ensembles.

A part of the orchestra's musicians have continued the activity of the dance band, which was formed in 1958. Between section rehearsal and concert practices, these devotees of modern melody gather to strike up rhythmic sounds, from the saucy to the sweet.

Members of the Orchestra provided music for special on-campus events including assemblies.

Whenever the sound of music is heard—on the field, from the porch, or in the grandstand—the Aztec Band is assembled in bright precision. As an organization the Band is one of the oldest and most basic variations of our theme, born and perpetuated in a people's love of music and color.

The year 1959-1960 was marked by a decisive liveliness and acceleration of tempo. To open the football season the Band introduced a sparkling cadence of two hundred steps per minute. As the weeks progressed, new ideas in half-time entertainment were unveiled which were popularly received by the thousands of spectators. Homecoming events were especially outstanding during the season: the marching units captured the first place trophy in the Occidental College Homecoming Parade, marched in the Los Angeles State College Homecoming Parade, presented the half-time show for the College in the Rose Bowl, and created a special program for the Mark Keppel Homecoming.

With the close of the football season the musicians began preparations for Christmas activities. On the campus the Band performed at the Christmas Concert, and a woodwind choir echoed Carols during gift-giving ceremonies. In the community members appeared at the Christmas celebration sponsored by the Alhambra merchants.

January brought the addition of a stylized Pep Band, complete with outfits. The weeks began to fly on . . . with Aztec seventy added new honors to the roll, first in the Temple City Camellia Festival Parade, and then at the S.C.S.B.O.A. contest. When May arrived the finishing touches were added to the annual concert, as the Band shone again in the "Hi-Neighbor" Parade. At last came graduation—the end of a year for many, the climax of membership in the Aztec Band for some.

With the outstanding leadership of Band Director, Mr. Kenneth Smith, the variation was given unexplored dimensions, centering around the realization of a eminence esprit de corps. The pride of being a part of the rebirth of music is sensed by each musician when the leader strikes up the band.

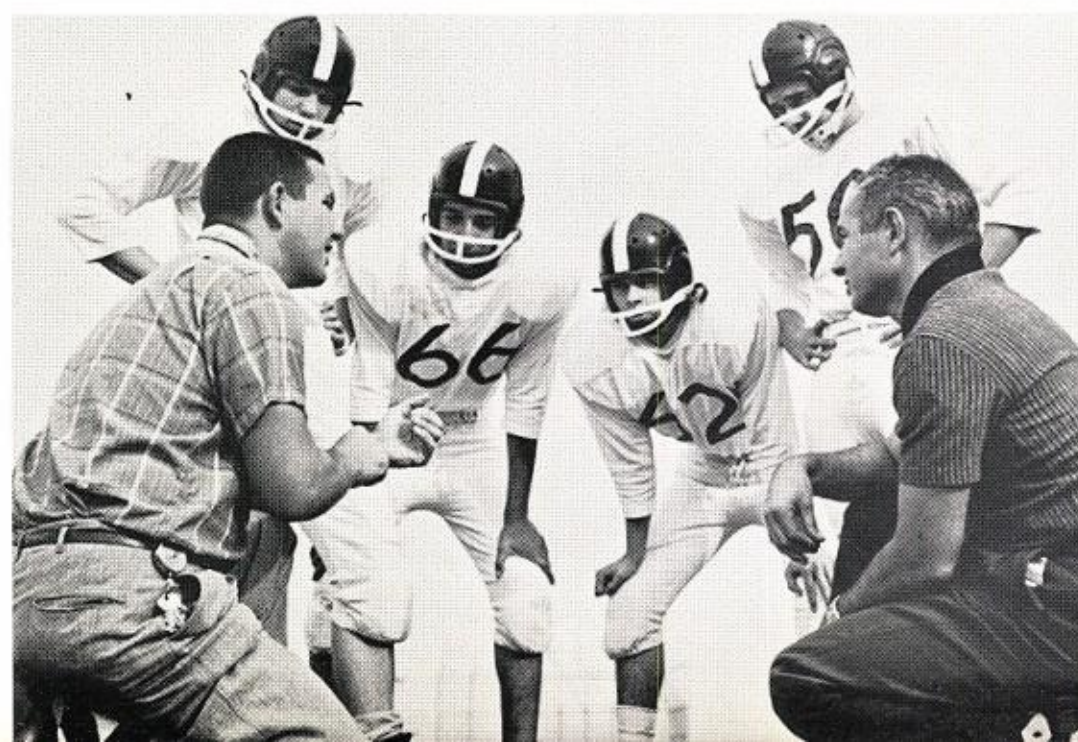

Mr. K. Smith, Band Director

Noon-time rallies were one of the on-campus activities of the band.

KEY CLUB

The Key Club is one of several organizations designed to render service to the school and to the neighboring areas.

Row 1: Ron Diamond, Frank Poppie, Howard Cassey. **Row 2:** Bob Winkler, Richard Drutman, Bill Keehn, Terry Agnew.

Row 1: Richard Stanek, Stanley Nasitka. **Row 2:** Mike Sinclair, Ron Lind, Don Moore, Jerry McGough

Functioning under the direction of the Monterey Park Kiwanis Club, the Key Club assists in the traditional flag-raising ceremony each morning. The members also transport the prized victory bell to all home football games, and lend their ingenuity to the decoration of social events.

JR. RED CROSS

Among the several other service activities of the members is the Red Cross fund drive, a project capably supervised by Junior Red Cross sponsor Miss Fujii.

Joni Newquist, Paul Cipriano, Miss Fujii, Jim Danziger, Sue Puglisi.

Judy Wiederanders, Betty Ulloa, Joe Ulloa, Linda Clark, Chris Wiederanders, Monique Dybnis.

When the Christmas season arrives the Junior Red Cross is ready to undertake the management of the gift giving program. Beneath the Aztec Christmas tree students place hundreds of gifts, which are later assembled and donated to needy groups by the Red Cross on behalf of Mark Keppel.

SCIENCE - MATH

The organization also encourages careers in science by stimulating the interest of youth in technology with demonstrations and exhibits.

Row 1: Fred Stanton, Sally Shliff, Richard Harrison, Sheila Hyatt, John Rodgers. **Row 2:** Jim Skidmore, Randy Brocato, Richard Covey, Ron Wesley. **Row 3:** Jim Padgett, Loren Webster, Richard Steers. **Row 4:** Dave Tilley.

The Science-Math Club brings the challenges of nature and of modern civilization before the high school student. Each year the club invites professional men to Mark Keppel to inform students on such problems as flood control, irrigation, and smog.

CLUB CO-ORDINATES

Secretary of Clubs for Semester I was Lolly Moya, who was succeeded by Linda Wise.

Miss Arzt, Girls' Vice Principal, undertook the detailed responsibility of overseeing the work done by the Club Secretaries, and directed the activities of all school clubs through the Prexy Council.

Row 1: Ann Vergho, Nancy Humble. **Row 2:** Richard Haughey, Vicky Flesch, Richard Drutman, Tom Hansen. **Row 3:** Warren Franks, Earl Sickler.

A new organization on the campus, the Runners-Up is limited to those members of the student body who have earned the distinction of being known for placing second in various competitions. Each runner-up pledges himself to remain loyal to the club motto: "Be the contest great or small, win second place or none at all."

R. U. C.

Among the outstanding activities of the group was a field trip to the Royal Trophy Company, where the members reaffirmed their belief in the dignity of losing gracefully.

Aztecs rush to down Apache in rugged scramble.

Tom Hammond advances for a first down.

Opening their 1959 grid season with Glendale Hoover, the Keppelites were downed 19-13.

The Aztecs were menaced by penalties and fumbles that set up Hoover touchdowns. "Aztec of the Week" was Bill Keehn.

Going into this game the Aztecs were confident of a win, but a determined Rosemead squad toppled Keppel 20-0 for the first time in four years. Dan Regan was "Aztec of the Week."

The Matadors took back their hatchet as they scalped the Aztecs 9-0 for the first time in the school's brief history. "Aztec of the Week" was Frank Poppie.

Keppelite Paul Baldwin played the best game of his life as he sparked the Aztec's to a 14-13 win over Long Beach Jordan, for Keppel's first win of the season. Baldwin was "Aztec of the Week."

The Aztecs opened their Pacific League play, and with the usual pre-season jitters they were jarred 27-9 by the El Monte Lions. Bill Gaydosh paced the Lions while Bert Shirk and Tom Rigney led Keppel. "Aztec of the Week" was Tom Rigney.

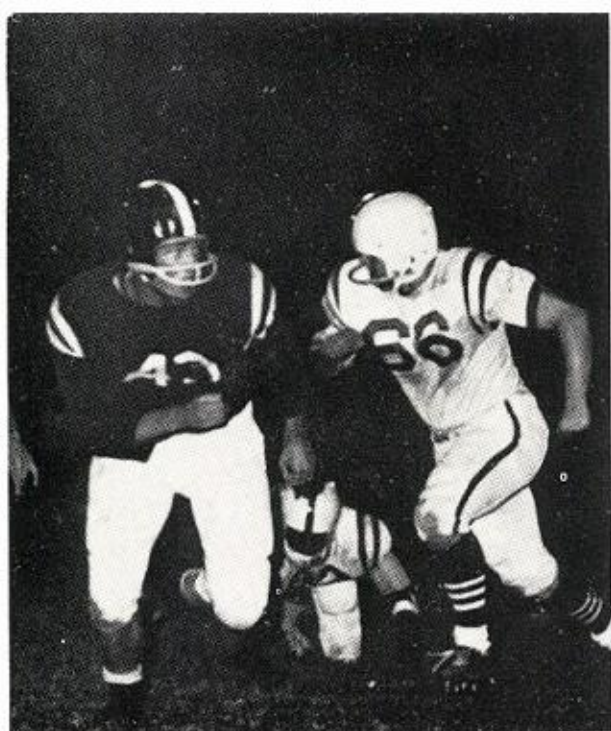

Monrovia, the Pacific League Champions for 1959, undefeated this season, ripped the Aztecs for their second straight loss 39-12. Bert Shirk fired Mark Keppel and was named "Aztec of the Week."

An Aztec leaps high to insure the accuracy of the shot.

Mark Keppel's Bee basketball team didn't have one of its better seasons, but the spirit and desire were still present.

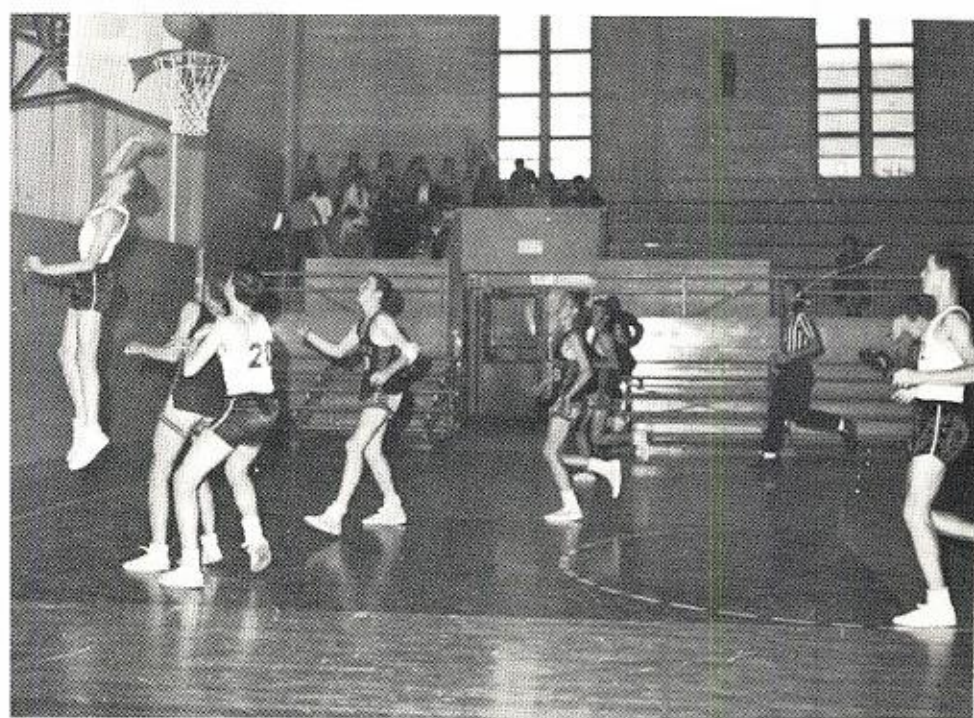

The Bees, coached by Lynn Reitnour were set back in league play with a 1-9 season record.

Hugh Gatewood was the Bee highpoint man for the year with a total of 131 points and a 8.9 average.

The Aztec Middies had their one moment of joy, in beating Alhambra 30-29 in the last second of play.

An Aztec keeps on his guard as an Apache advances.

Hopes are high as the ball aims toward the magic rim of victory.

The hard fighting Cees and Dees of Coaches Maynard Horst and Jack Ameluxen finished their hoop season in the middle of the league.

Both teams lost many close games which could have made the difference in their league positions.

Many of the young Aztecs on Cees and Dees will be moving up to the Bee's and Varsity next year and will contribute to those two teams.

The experienced gained on the cees and dees will be big factors if Keppel's basketballers will be winners next year.

Proving their worth on the diamond, the aztec baseballers have surprised the field by placing in the top bracket of the Pacific League. Sparked by the pitching of Don Stone, Ron Lind, and Bob Winkler, the Horstonians pushed ahead.

Will the Aztecs score a run?

Mark Keppel's baseballers had one of their best seasons in many years, again under the top leadership of coach Maynard Horst. For the first time in Keppel's twenty year history the Aztecs had a freshman team. Guiding the spirited Aztecs was Coach Bob Miller. Many victories and tremendous Student Body support highlighted the successful season. Let-termen will return next year to aid the Aztec forces in achieving an even more outstanding team.

Through the tutelage of Coach Larry Smith, the JV team proved its prowess in the league by upsetting some of the league leaders. Sparkling pitching and brilliant defensive infield restricted their opponents to a few runs.

TENNIS

Coach Ameluxen

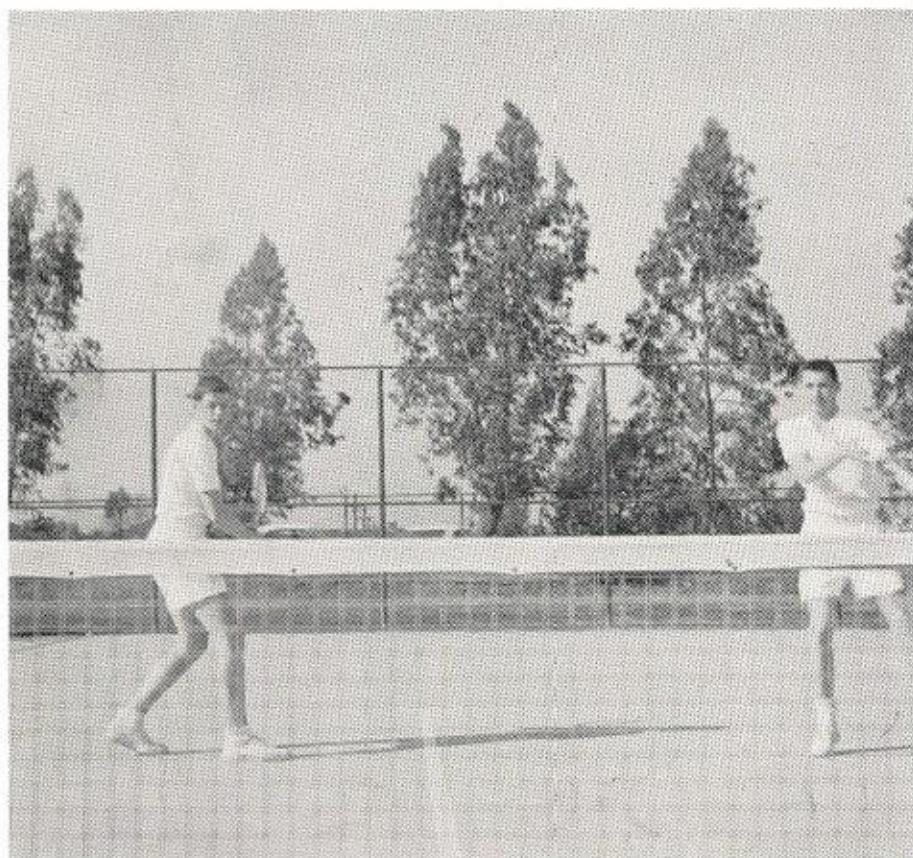

Coach Tellenbach

Driving services and tricky net play are just two of the fine points of Mark Keppel's Tennis Squad. The tennis courts set against the busy freeway were alive with white-shirted players trying to defeat the wool covered pellet. After-school athletic activities occupy several afternoons a week for the members of the Girls' Athletic Association. Both upper division and lower division students participate in the various sports offered by the organization, among them basketball, volleyball, and hockey. Through a thorough knowledge of game rules and steady practice in a chosen event, each girl develops greater skill as a player. In addition, members may earn the opportunity to act in the management capacity as referees, managers, and club officers. The semi-annual banquet is the highlight of the athletic season. The fall dinner is devoted to awards, while the spring event is the major banquet. The G.A.A. sweater is the prized possession of every member, and is worn, with emblems of achievement, to the intermural play days. Also associated with the girls' physical education department are the special interest groups, Orchesis dance club, Tennis Club, and Archery Club. Orchesis members are prominent in the specialty of musical programs. The Christmas Concert feature dance, included a graceful and effective interpretation of "The Little Drummer Boy," and the spectacular choreography of the spring musical "The Desert Song" was, in part, executed by the group.

Diane,

I'm so glad I

you this year.
I'm sure had
a lot of fun,

Have lots
of fun in

years, and
I'll see you
